Dear Techworks Team,

The Child Center of NY is deeply grateful for the generous donation of \$1210 towards our backpack drive. You all personally supported 40 kids, return to school with a brand-new backpack and school supplies. As you may or may not be aware, we work with many children and families who live below the poverty line. You all were able to help put smiles on kids faces, while also lifting the burden off a parent's shoulders, who may have had to decide between getting school supplies or providing food to their families.

It goes without saying that those we serve are among the most vulnerable in times like this. That's what makes your support that much greater in the lives of children throughout NYC.

From all of at the Child Center, thank you again for your partnership Together we are both closer to closing the gap between aspirations and reality.

Warmly,

Brently Winstead  
Director of Development
